Alysa,

Can you keep Jeff Boylan up to date on this as well in case any of the lead line replacement activity ends up in the SRF program?

Thank you!

Leslie

Subject: Update: Clarksburg

Good morning, Cathy, Leslie, and Cat. I'm still working to get Clarksburg updates but nothing new to offer as of yet. To recap:

- July 2, 2021: West Virginia issued AO to Clarksburg
 - AO gives Clarksburg 30 days to develop a corrective action plan including a materials inventory and a sampling plan

- AO also stipulates that Clarksburg should continue with lead service line replacements, including full lead service line replacements, and offer to replace the homeowner's portion of the lead service line at the homeowner's cost.

Ex. 5 Deliberative Process (DP)

I shall provide additional updates as I receive them.

-Alysa
